"Where the Leaders Offer Their Best"

For 25

The

Leading Shorthorn

For 25 years the Illinois Shorthorn Ass'n sale has been the leading state association sale in the nation. In that time 1179 $\frac{1}{3}$ bulls

Back in 1942, cattle weren't bringing too much but the far-sighted breeders of Illinois decided to form a state association to better promote their good cattle. Allan Atlason of Edellyn Farms was elected president. L. E. Flanegin, Elmwood, was vice president and Prof. H. G. Russell of the University of Illinois was secretary-treasurer.

The first sale was scheduled for the Illinois State Fairgrounds on March 31, but after the catalog was printed the war department took over the fairgrounds so the sale was moved to the farm of Thorp Metz at Williams-ville. With Hal Longley as sale manager and

and females have grossed \$538,277 to average \$456. No-where else have such high quality cattle been offered as consistently.

Jack Halsey as auctioneer, the sale averaged \$268 on 44 lots.

Judge Don James of The Hickories, Par-dee-ville, Wis., made Edellyn Mandate Mercury grand champion. He topped the sale at \$1,000 to Dean C. F. Curtiss, Ames, Iowa.

Since that time nearly 1,200 Shorthorns have gone through the sale ring and out to improve the breed from coast to coast. Plan now to be on hand for this Silver Anniversary event and share in the powerful offering presented by the nation's leading Shorthorn association.

AUCTIONEER: Hugh James, Decatur, Ill.

GUARANTEE: All animals sold in this sale sell under the terms of the Standard Guarantee endorsed by the American Shorthorn Association. All animals will be sold under the Health regulations of the State of Illinois. They will either be tested for Bang's within 30 days of the sale, officially vaccinated for Bang's and under the minimum age, or from Accredited herds. They will either be tested for T.B. or from Accredited herds.

LIABILITY: Although every precaution will be exercised to protect the safety of those attending, all who attend this cattle sale do so at their own risk. Neither the Illinois Shorthorn Association, the consignors, its representatives, auctioneers, sale manager, nor clerks assume any liability. The sale manager was retained for specific tasks, promotional and clerical and has nothing to do with the condition of the premises, the handling of the cattle, fulfillment of guarantees and cannot be responsible for possible errors in consignor's footnotes and health charts.

TERMS: The terms of this sale are cash unless arrangements are made in advance of the consignor from whom you purchase. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed. All stock will be at buyer's risk as soon as bid off. The above guarantee and terms constitute a contract between the consignor and buyer of each lot. Neither the Illinois Shorthorn Breeders' Association, the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog, they were written from information supplied by the consignors.

L M CRAFTSMAN—A very correct bull on sound feet and legs. Was a consistent class winner this summer, also was either grand or reserve champion at four out of six shows, and was in the top ten at Springfield in a very strong junior yearling class. His mother has produced two heifers and they are probably the two best females I own, one of which was in competition 14 times and was champion female 12 times. Craftsman will be semen tested. His calf test gain was 2.41 pounds per day of age. Weight at 214 days was 517 pounds.

For 25 years the far-sighted Shorthorn breeders of Illinois have formed the nation's most active and progressive Shorthorn association. Their programs are among the most successful in the country. The state is consistently at or near the top in registrations and transfers with the national association. Illinois breeders have gone far and wide for the very best breeding stock available with the end result of producing some of the world's foremost Shorthorns.

Take Advantage of the Varied Services of the Illinois Ass'n

- ★ **CATTLE PLACEMENT SERVICE.** When selling or buying cattle privately write your needs to Tom Reedy, Lovington, Ill. He will help find or place cattle for you at no cost.
- ★ **SALES.** The Illinois Shorthorn Ass'n sale is traditionally the leading state association sale of each year. The many Illinois district associations also have active sales programs.
- ★ **SHOWS.** The Illinois State and county fairs traditionally see some of the nation's best cattle.
- ★ **JUNIOR PROGRAM.** One of the best in the country. A series of summer junior shows provides good experience for the junior member.
- ★ **PICNICS.** The state association and district picnics and banquets provide plenty of opportunity to see the state's leading herds.
- ★ **LASSIES.** The ladies provide much good promotion for the breed locally and nationally.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
